The team

KOMEB

Komeb is a family business established in 1981 by Marian Kochner , experienced wood technologist, dedicated to aesthetics and true craftsmanship. He passed these values on his daughter Agnieszka, who , together with her husband Radek and son Dominik continue his work with great passion. Over the years the company has grown substantially, selling their furniture worldwide , and is well known for its beautiful design and attention to detail.

OUR NEW COLLECTION

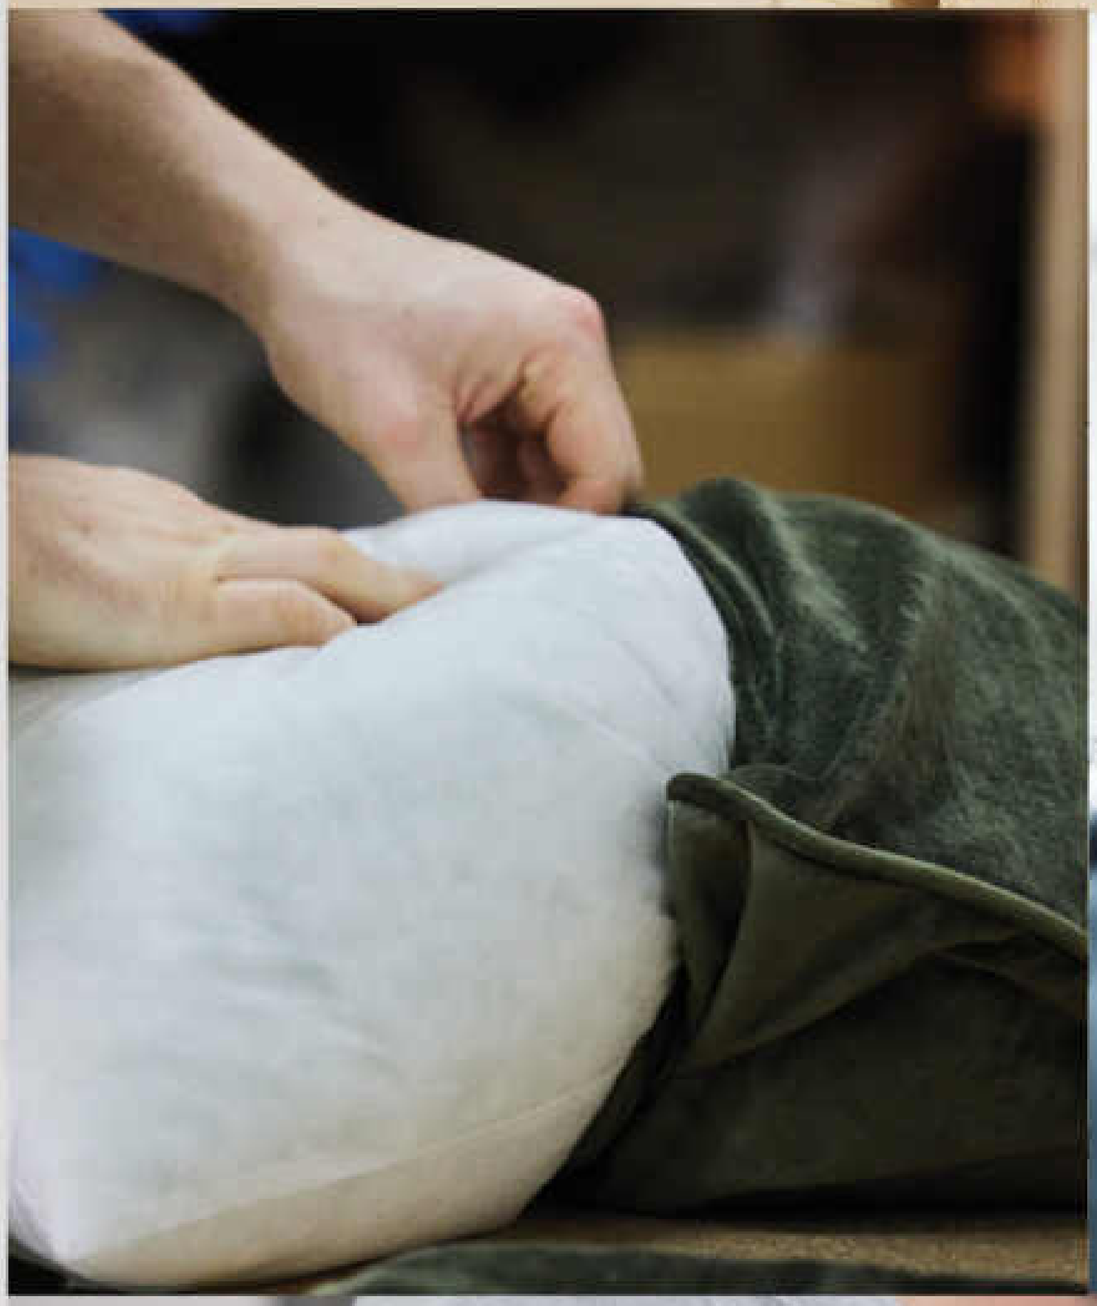

Apart from the models presented, we are prepared to produce chairs and sofas according to your own ideas or patterns, meeting the highest standards of design and production. We work both with our own fabrics and those provided by clients. We offer our furniture in fire resistant version that is acceptable for the British market We have good experience in working with interior designers, furnishing hotels, restaurants, and apartments. We are open both for wholesale and retail customers. We have our own carpentry, upholstery and sewing facility that enables us to control the entire production process and maintain its highest quality.

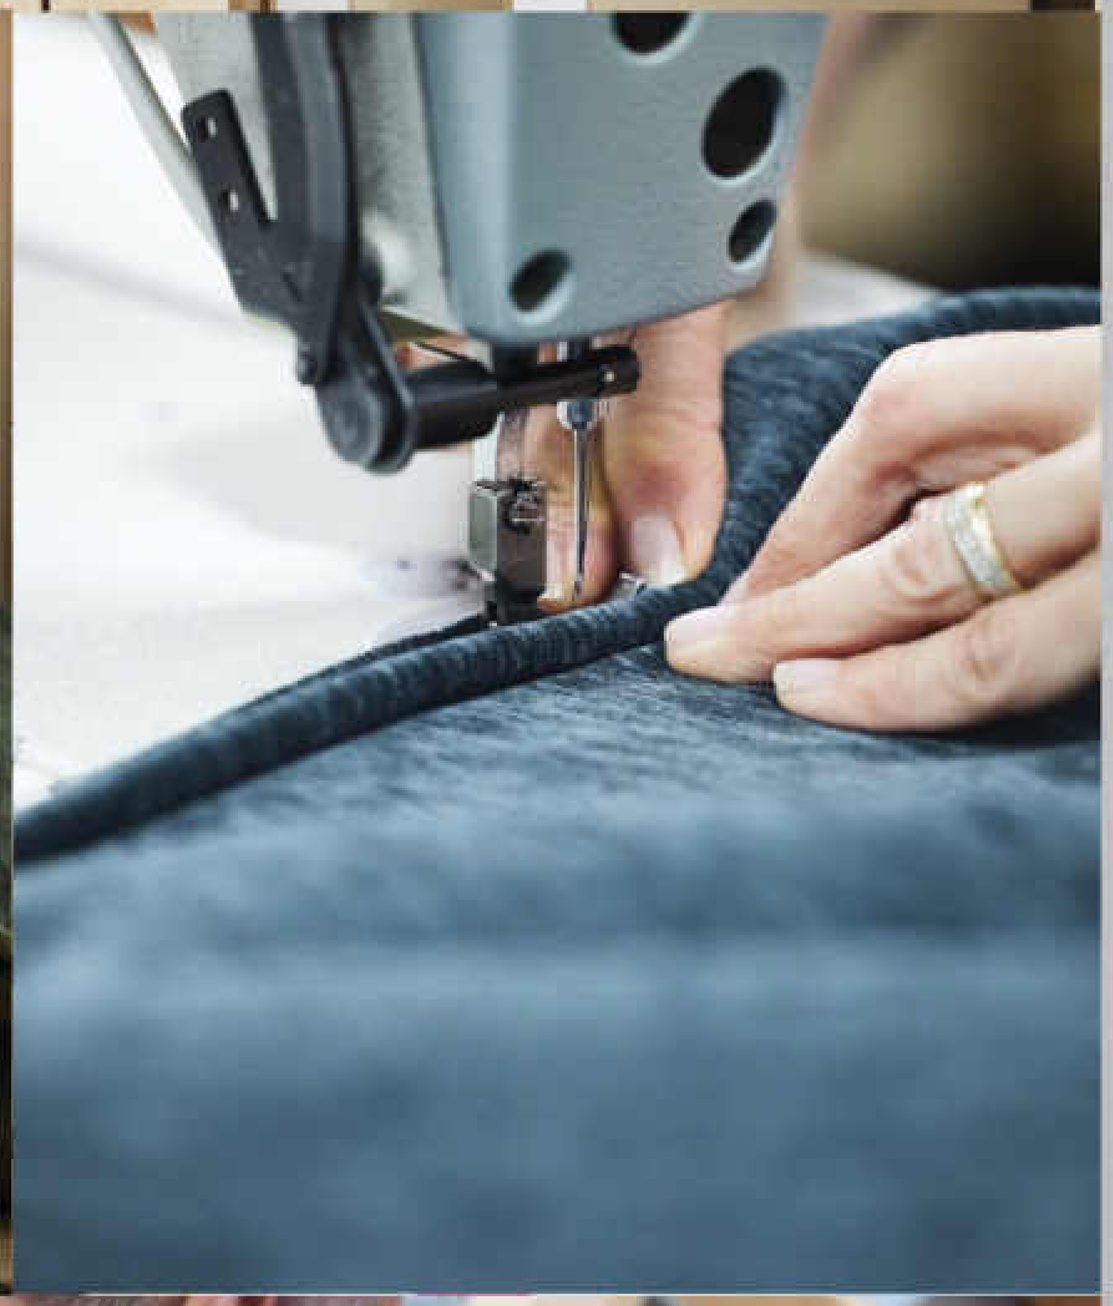

We invite you to fruitful cooperation
